#### Note to All KBF Members:

As you look over the Point earned per event, Remember KBF has a Rule that permits the Working person the opportunity to advance on via the Point System when working toward his/her total events competed at by allowing members that pay in advance the entry fee for each tournament and they will be listed as a Buy IN. The KBF Board stated that for a BuyIn no member would receive points for that event, However to track the number of events attended some type of POINT has to be issued.

Several years ago during the tenure of John Dixon, former KBF President his decision was to award any Member that uses the Buy In procedure that they would receive 1 Point only for each Buy In.
