CHAPTER RESPONSIBILITIES

Chapters retain their own unique identity. The Federation does not, and will not, interfere with a Chapter's internal affairs. As long as a club maintains its KBF Chapter in good standing, and adheres to the ideas of good sportsmanship and conservation thereof, the Chapter is acceptable for affiliation with the Kentucky Bass Federation, Inc. (KBF).

To maintain affiliation with the KBF, each Chapter must adhere to the following requirements:

Board of Directors Meeting - There are at least two (2) Board meetings of all Chapter Representatives each year, one in January, and the other is typically in October. Each Chapter is encouraged to be represented at these meetings.

Chapter Membership Roster - Each Chapter is responsible for keeping its membership roster up-to-date with the KBF. The addition or deletion of individual members should be made as they occur. A current membership roster must be received by KBF prior to the January Board of Directors meeting of each year.

Dues and Assessment - Each Chapter is required to submit annual dues by December of each year. The amount of dues shall be designated by the Board of Directors. A check for the proper amount must accompany the Chapter's membership roster and be received prior to the December 31st due date.

THE REGIONAL DIRECTOR'S ROLE

Directors are elected to serve a term of three (3) years. There is no restriction on the number of terms a Director may serve. If there are no nominations for Director the President may appoint Directors to fill open positions.

Outgoing Directors relinquish their seats on the Board at such time as their Chapter Representatives duly elects or the President appoints a replacement. The Divisional Director nominations should occur sometime prior to the January Board of Directors meeting so that newly elected Directors can be seated at that time.

It is very important that each Region take great care in selecting individuals to serve as their Regional Directors. Candidates should possess a genuine desire and willingness to work for and in, the best interest of each club, the region, and the Federation as a whole.

Upon accepting a Divisional Director's position, the individual assumes certain obligations and expectations. He is expected to be active and involved in the many facets of the organization.

A Director should be willing to:

1. Attend all Board Meetings.
2. Work in concert with other Divisional Directors, arrange, schedule, and attend the meeting of his division.
3. Assist, guide and advise, or possibly conduct Divisional Tournament, the State Championship Tournament, and TBF Inc. sponsored events. He may also be called upon to solicit prizes for these events.
4. Help coordinate or assist in Federation special projects.
5. Maintain personal contact with the Members within his region and assist them as needed. An equal number of Members should be assigned to each Director of the division to alleviate duplication and to ensure adequate contact.
6. Meet with and encourage clubs to become involved and active in Federation programs.
7. Assist clubs in receiving proper recognition for their project and public service functions that reflect favorably upon the Chapter and the Federation, i.e., local media, newsletters, etc.

As one can see, Divisional Director wears many hats. He is an avenue of information, a facilitator, a solicitor, a decision-maker, and a worker. It is imperative that prospective candidates be made aware of these expectations and that the Chapter Representatives actively seek the best possible candidates for their Divisional Director positions.

OFFICER ROLES

The offices of President and Vice President shall be determined by an election of the Board of Directors conducted during the last Board of Directors meeting during the last year of their term.
